Cyber Insurance

What It Is & How To Find A Good Company

1

Cyber Insurance ≠ Security

It's not a firewall. It's not a substitute for training or patching. It's what helps when everything else fails.

Cyber Insurance List

- ☑ Pre & post-breach support
- ☑ Risk assessments _____ing
- ☑ Risk assessments & monit__
- ☑ Awareness training
- ☑ Foresncics & legal help

2

What Good Cyber Insurance Includes

The best policies cover more than just money. Look for:

- Pre & post-breach support
- Risk assessments & monitoring
- Awareness training
- Forensics & legal help

3

How to Choose the Right Provider

✓ Check claim history
✓ Ask peers & brokers
✓ Review breach services
✓ Read the fine print
✓ Buy local & standalone

Great insurance is your backup plan.

Wizer helps reduce the chance you'll need it.

Stay Wizer
