

WIZER TOP 5

**PHISHING SIMULATION
TEMPLATES**

October Edition

MAXED OUT

From: iCloud

Subject: Cloud storage almost full

Your storage is at 99%

We can no longer backup your data to the cloud.

To activate an increase of 5GB at no cost,

please click below.

Activate 5GB

Who doesn't want a little extra storage?? Especially when it's urgently needed!

THE INVISIBLE ISSUE

From: HelpDesk

Subject: Please install this today

Stating exactly what the request is leaves no ambiguity.

All,

We've had reports that emails aren't always being sent to the recipient, even though they appear to have been sent.

Please [install this update](#) at your earliest convenience to fix this bug.

Thanks,

IT

ALL EYES ON YOU

From: TikTok

Subject: You're turning heads today!

You're profile is popular!

Check out who's viewing it below.

Who's viewed me

**'I'm not bothered
who viewed me'...
Said no one ever!**

IT RINGS OF TRUTH

From: Ring

Subject: Recordings cannot be saved

ring

Relink your Amazon account

Please relink your ring doorbell with your Amazon account to ensure recordings are saved.

[Relink Amazon](#)

We're wired to keep services that are important to us up and running.
