PASSWORD PURGATORY

From: IT Department

Subject: *PLS READ* Password Policy Update

All -

Starting as it means to go on.... being direct, and authoritative

We have just updated our password policy, and you're required to acknowledge the update before COP tomorrow.

The window to act is clearly stated, as is the fact it's a requirement

Have you tried turning it off and on again?

CLEAR OUT CURIOSITY

From: Reception

Subject: Office clear-out - Recognize anything?!

We are clearing out some of the office spaces, and found several items that must be missing their owners!

Do you recognize anything? Reach out if you want to be reunited *(You might not want to be!)*
