# ROBOT REVIEW

**From: HR**

**Subject: Automated Performance Review**

## Your Automated AI Performance Review has Landed!

Is there anything AI  
won't be helping with  
as time goes on??

A review of your performance over the last 6 months has just been completed by AI. To find out how you did, check out the review below.

[View Review](#)

*This is just a test of the service, and won't currently be added to any company records. Also note; AI can make mistakes.*

# DATA DILEMMA

**From: ChatGPT**  
**Subject: Sensitive Data Shared**

Can you remember everything you share?! Would you be motivated to find out what it was?

## You've recently shared sensitive information

After a review of information you've shared with ChatGPT, sensitive information associated with your Organization has been found.

[View Report](#)

*A copy will be sent to your Organization if you don't view, and respond, with your business justifications.*
