

TRICKY PHISHING TEMPLATES

October Edition!

KNOCK KNOCK

From: SharePoint Online

Subject: Access Request: Q4 Planning Draft v3

Someone Wants Access to Your File

Someone in your organisation has requested edit access to Q4 Planning Draft v3, a file you own. Review the request to approve or decline it. Pending requests expire after 7 days.

Review Request

Would you want to be the one holding up someone else's work?

PAIR UP

From: Workplace Technology

Subject: Pair Your Account Before Your Room Booking

Your room booking now includes the new Teams display. To share your screen on the day, pair your account in advance by entering code HX7K2QW9P at microsoft.com/devicelogin. The code expires 15 minutes after this email was sent.

[Pair Now](#)

Would you enter a code you never asked for on a page you trust?

MATCH POINT

From: Community & Giving

Subject: Double Your Donation Before 31 October

Your Donation, Matched in Full

For October, the company will match every donation made through the giving portal in full. Choose a charity, set your amount and we'll double it. The match closes on 31 October.

Choose a Charity

Would an email asking you to do good get any scrutiny at all?

SIGN OFF

From: Brand Team

Subject: Your New Email Signature Is Ready

We've refreshed email signatures for Q4 so everyone looks consistent in front of customers. Generate yours in two minutes, then paste it into your mail settings. Please switch over by 31 October.

Would you want to be the last one still using the old logo?

CATCH UP

From: Internal Communications

Subject: Q3 All-Hands: Recording and Slides Now Available

Acme Inc.

Missed the All-Hands? Catch Up Here

The recording of this quarter's all-hands is now available, along with the slides and the full Q&A. Recordings are kept for 7 days, so catch up before then if you couldn't attend.
