

TRICKY PHISHING TEMPLATES

September Edition!

From: Finance
Subject: Your New Virtual Corporate Card Is Ready

Activate Your New Card

Corporate cards are moving to virtual cards for Q4. Your new card is ready to activate, and your current card will be retired at the end of the month.

[Activate Card](#)

Would being issued something new feel like a perk, not a risk?

From: People Team
Subject: Vote: Christmas Party Date and Venue

Help Us Pick the Date

Planning for the Christmas party has started. Vote for your preferred date and venue before bookings close on Friday. Sign in so each vote counts once.

[Cast Your Vote](#)

Would the friendliest email in your inbox get the least scrutiny?

Event Registration
Your Attendee Pass Is Ready

Registration for next month's conference has been completed. Download your QR code before the event and save it to your phone for entry.

[Download Pass](#)

Would something you're looking forward to slow down the pause?

VOICE NOTE

From: Voicemail Service

Subject: New Voicemail (0:47), Transcript Ready

You Have a New Voicemail

A 47-second message was left while you were in a meeting. Transcript preview: 'Hi, it's about the invoice we discussed, could you call me back on...' Listen to the full message.

[Listen to Message](#)

Would curiosity about a missed call make you sign in?

CERT ALERT

From: IT Service Desk

Subject: Your Remote Access Certificate Expires 30 September

Your VPN and Wi-Fi certificate expires on 30 September. Get your renewed certificate now to keep remote access working on your laptop.
