

TRICKY PHISHING TEMPLATES

July Edition!

From: HR
Subject: Coverage Assignment During Leave

Temporary Responsibilities Assigned

You've been assigned as coverage for a colleague on leave. Review your temporary responsibilities and confirm.

[Review Responsibilities](#)

Would a sense of duty make you accept without checking?

From: Office Printer
Subject: Scanned Document Ready

Document Ready for Release

A scanned document is waiting in the print queue. Release it to download your file.

[Release Document](#)

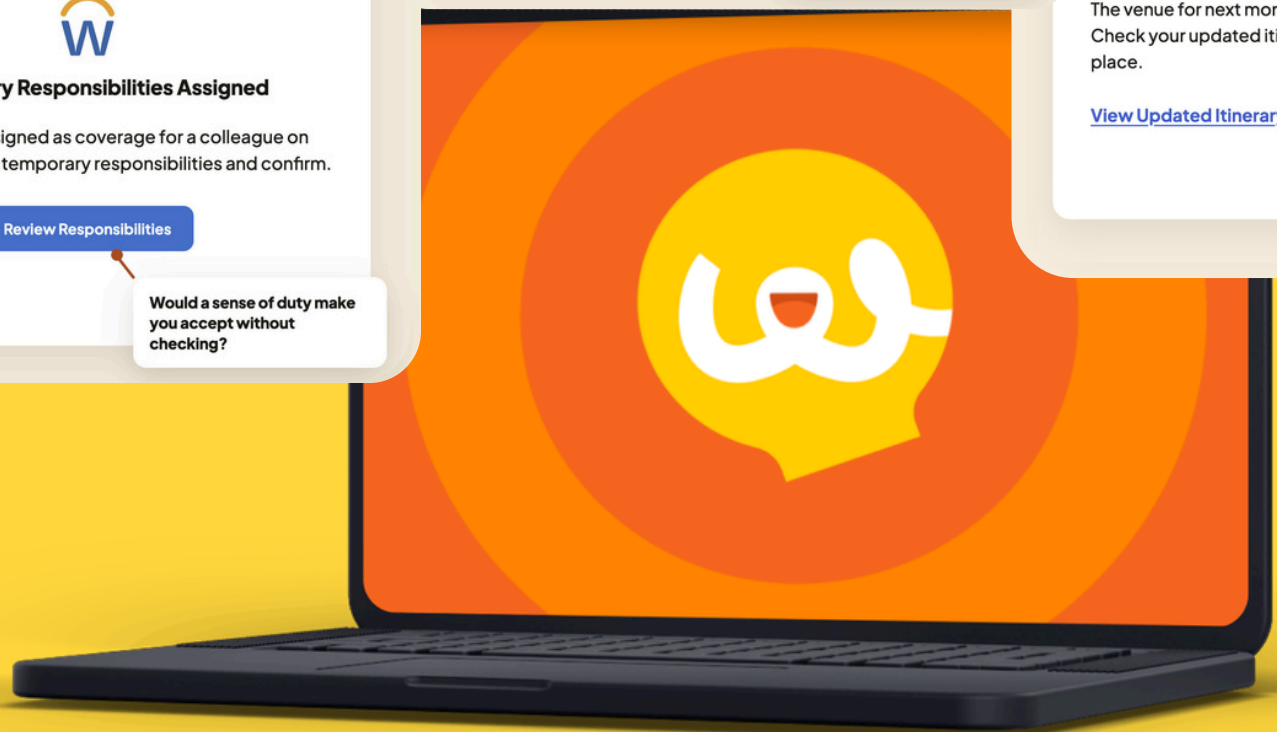

Would a routine scan even register as a risk?

From: People Team
Subject: Q3 Offsite: Venue Change

The venue for next month's team offsite has changed. Check your updated itinerary so you arrive at the right place.

[View Updated Itinerary](#)

Would you check so not the one at the venue?

PASSKEY PIVOT

From: IT Support

Subject: Action Required: Set Up Your Passkey

Passwords Are Being Retired

Your organization is moving to passkeys. Set yours up by Friday to keep access to your account.

[Set Up Passkey](#)

Would a Friday deadline make you set it up on the spot?

AWAY GIVEAWAY

From: IT Security

Subject: Your Out-of-Office Reply Needs Review

Your current auto-reply may be sharing internal contact details and travel dates with external senders. Review your settings before you go.

[Review Auto-Reply Settings](#)

**Would the worry of
oversharing make you click?**

PAPER TRAIL

From: Office Printer

Subject: Scanned Document Ready

Document Ready for Release

A scanned document is waiting in the print queue. Release it to download your file.

Release Document

Would a routine scan even register as a risk?

OFFSITE UPDATE

From: People Team

Subject: Q3 Offsite: Venue Change

The venue for next month's team offsite has changed. Check your updated itinerary so you arrive at the right place.

[View Updated Itinerary](#)

Would you check so you're not the one at the wrong venue?
