

# TRICKY PHISHING TEMPLATES

## January Edition!

**From: Google**  
**Subject: Calendar Sync Error: Events Removed**

**Google**  
**Sync Error: 3 upcoming events removed**  
A timezone synchronization conflict has caused upcoming events to be dropped from your primary calendar. Please review the affected items to restore them to your schedule.

**Restore Missing Events**

Does this appeal to your click 'just in case' it disrupts fears??

**From: Google Drive**  
**Subject: Access Expiring to (3) Folders**

**Google Drive**  
**Act now to avoid disruption**  
Your access to (3) shared folders has been inactive for 90 days and is scheduled to be revoked in 24 hours. If you still require access for your role, please confirm below.

**Extend Access**

All,  
As part of our updated remote work policy, you may be eligible for a monthly reimbursement for home internet costs. Please verify your current provider to process

**From: HR**  
**Subject: New Benefit: 2026 Home Internet Stipend**

**Check Eligibility**

HR & IT are the most impersonated departments

# SYNC OR SWIM

**From: Google**

**Subject: Calendar Sync Error: Events Removed**

## **Sync Error: 3 upcoming events removed**

A timezone synchronization conflict has caused upcoming events to be dropped from your primary calendar. Please review the affected items to restore them to your schedule.

**Restore Missing Events**

You would be brave to not want to restore random missing events!

# PERK DROP

**From: HR**

**Subject: New Benefit: 2026 Home Internet Stipend**

**All,**

As part of our updated remote work policy, you may be eligible for a monthly reimbursement for home internet costs. Please verify your current provider to process

# ACCESS ENDING

**From: Google Drive**

**Subject: Access Expiring to (3) Folders**

**Act now to avoid disruption**

Your access to (3) shared folders has been inactive for 90 days and is scheduled to be revoked in 24 hours. If you still require access for your role, please confirm below.

**Extend Access**

Does this appeal to your click 'just in case' it disrupts fears??

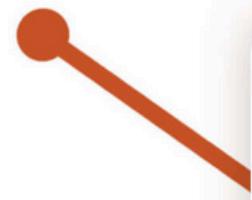

# SEATING SHUFFLE

**From: HR**

**Subject: Office Floor Plan Update: Desk Assignments**

To accommodate growing teams, we have updated the seating chart for February. Please review the attached map to see your new assigned location.

**[View Seating Map](#)**

Territorial.. curious... what feelings would drive you to click?

# SURPRISE PACKAGE

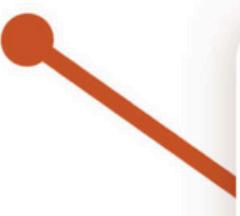

**From: Reception**

**Subject: Possible item waiting for pickup**

A courier package has been signed for by reception and is currently held at the front desk for you (we think - the label is damaged).

Do you recognise the sender?
