DEVICE DIRECTIVE

From: IT Support

Subject: AI Device Upgrade Check

Is Your Device Ready?

To ensure compatibility with new AI tools (which can benefit from faster processors), we're evaluating all employee machines. Complete this quick form to determine if a new device is needed.

[Device Survey](#)

I don't need a jazzy new machine... Said nobody ever!

INTEGRATION INDICATION

From: Microsoft 365

Subject: Confirm New App Access

Would you click on *anything*, if it meant not losing work!?

Re-Authenticate to Not Lose Work

A new application has been added to your Microsoft 365 environment. Please log in again to ensure uninterrupted access to your tools.
