**A tempting Udemy invite?
Free access sounds good**

DUO DILEMMA

From: Duo

Subject: Your MFA Code Was Just Used

Did You Just Approve a Login?

Your multi-factor authentication code was used to access your account from a new device in Toronto, Canada. If this was not you, click below to review and secure your account.

No, it wasn't me

This plays on fear and duty to act fast!

LINKEDIN LURE

From: LinkedIn

Subject: You were mentioned in a post

A post you're mentioned in is trending!

You've been mentioned in a new post:
'Couldn't have done this without you!'...
