

TRICKY PHISHING TEMPLATES

August Edition!

HELD MAIL

From: Email Security

Subject: 12 Messages Quarantined While You Were Away

Messages Held for Your Review

12 messages were quarantined while you were out of office. Review the list and release anything you were expecting.

Review and Release

Would you trust an email that looks like your security tool?

BADGE LAPSE

From: Facilities

Subject: Your Building Access Has Been Suspended

Your badge was deactivated after 21 days without an entry scan. Reactivate it before your first day back in the office.

[Reactivate Badge](#)

**Would the thought of being
locked out make you hurry?**

SAY CHEESE

From: People Team

Subject: Summer Social Photos Are Up

You Appear in 14 Photos

The photos from the summer social have been shared with the team. Take a look and download any you would like to keep.

[View Album](#)

Would curiosity about your own photo override your caution?

INSIDE TRACK

From: Internal Mobility

Subject: Your Profile Matched an Open Role

A role has been matched to your profile and skills.
Applications close on Friday, so review the details while it is open.

**Would being flattered make
you skip the check?**

POINTS PENDING

From: Recognition

Subject: 4,200 Points Expiring on 31 August

Your Points Expire This Month

You have 4,200 unredeemed recognition points. Browse the rewards catalogue and redeem them before they expire.

Redeem Points

Would something you are owed feel safe to click?
